

FRONTENAC 4-H ASSOCIATION

Frontenac 4-H livestock achievement programs, as well as the poster competition, are held at the Kingston Fall Fair. On Saturday, September 17th, 2011 swine, dairy, and beef calves will be shown in the Bracken Barn. These shows consist of confirmation and showmanship. Achievement Programs will be followed by the Champion Livestock Showman Competition. All the 4-H programs are worth coming out to see as these members put a great effort into their projects.

Volunteers, members and parents would like to thank all our sponsors for their support.
